Description

Friday Gallery Opening

The theme for this event is **TBD**

Limit of two pictures per member.

All pictures need to be framed with wire or compatible attachment on the back ready to hang. Your pictures need to be delivered to the Club Room starting the Friday before the Opening through the Wednesday before the Opening. Your pictures need to have a label on the back with your name, the title of the picture, and the amount you are selling the picture for (if your picture is Not For Sale, indicate that on the label as NFS). It would be appreciated if you would not wait until the Wednesday before the Opening to deliver your pictures to the Club, because pictures will be hung as delivered which helps those hanging the pictures. If you currently have pictures displayed in the gallery, they must be removed by the Friday before the Opening to make room for the new pictures for the Gallery Opening.
